

Summary of Wedding Guide

If you are a registered parishioner of the Cathedral of St. John Berchmans and you want to marry another Catholic outside of the Cathedral Parish with an outside priest/deacon to perform your ceremony:

1. You must contact the priest/deacon at least six (6) months before your intended wedding date. After he agrees to do your wedding, **he** will contact the Cathedral pastor in writing **and** request delegation (the Cathedral pastor's formal permission) to do your wedding at the Cathedral.
2. The priest/deacon performing your ceremony must request the Cathedral pastor's formal permission (delegation) to marry outside of the Cathedral parish.
